Remuneration and Reward Strategies

10 more case studies on why it pays to get it right

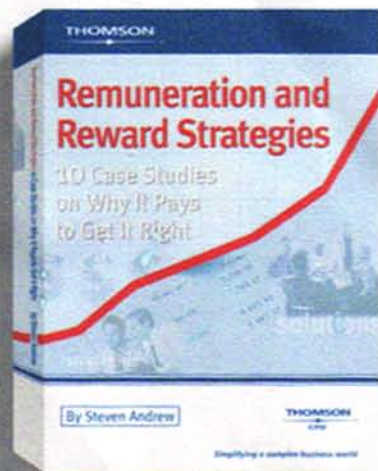

Find out what other organisations are doing with performance pay and reward systems, and access analysis of salary benchmarking trends, in **Remuneration and Reward Strategies**, the second edition of this highly successful book.

Featuring in-depth case studies on current remuneration practices, no other resource gives you the 'how-tos' and reasoning behind the introduction of different systems, with analysis of their successes and challenges.

Written in plain English by industry specialists, **Remuneration and Reward Strategies** explores the strategic business demands driving successful plans, the wide variety of environments in which they operate and the issues faced in implementing them.

Read critical case studies of winning strategies adopted by 10 leading organisations both large and small, including:

- Ford Australia
- ANZ Bank
- Compass Group
- Swiss Re
- Macquarie University
- Seek.com.au
- Spastic Centre of NSW
- Harmers Workplace Lawyers
- Flight Centre
- National Foods

\$126.50
incl. GST

Study a range of workable options you can use to create or improve remuneration strategies within your own organisation.
